

Bob Graham Center for Public Service

Student Fellows Application

The Student Fellows act as the official ambassadors of the Graham Center. Our main role is educating other students about the opportunities available at the Center and promoting its events. We also register voters around campus and host workshops on civic engagement and politics. Student Fellows receive special access to speakers and guests of the Graham Center. The Graham Center also provides us with tools and resources to start our own public service projects, such as voter registration drives. Finally, we do community service and have social gatherings for our members.

Meetings are every other week, usually on Tuesday because that is when many of the Graham Center events take place. Student Fellows are expected to attend these activities throughout the semester. While you don't have to come to all of them, we expect participation in most club activities.

Applications for the Fall 2017 cycle are due at **5pm on Wednesday, September 13th**. Please email your completed application **and resume** to studentfellowsapps@gmail.com. If you are a freshman, a high school resume is satisfactory.

Name:

Year:

Major(s):

UF GPA (or high school GPA for freshmen):

Short Answer Questions: (please answer all questions in 300 words or less for each prompt)

1. Student Fellows value Public Service, Leadership, Engagement, and Citizenship. Tell us about a meaningful experience you participated in that incorporated one or more of these values.
